School Nursing and Looked After Children Service

Date: 14/04/26

Dear Parent/Guardian,

The School Nursing Service is currently reviewing immunisation records for pupils in Year 10. If your child has **not yet received their DTP (Diphtheria, Tetanus & Polio) booster** and/or the **MenACWY vaccine**, which are routinely offered in Year 9 as part of the school-based immunisation programme, they will be offered in Year 10.

These vaccines are important for protecting young people against serious illnesses:

- **DTP Booster:** Provides continued protection against diphtheria, tetanus, and polio.
- **MenACWY Vaccine:** Protects against four strains (A, C, W & Y) of meningococcal disease, which can cause meningitis and septicaemia.

We will be offering **catchup vaccinations to Year 10** pupils who missed these vaccines during the previous academic year. The School Nursing Team will visit **Cwm Brombil on 06/05/26 & 07/05/26** to provide this opportunity.

What you need to do

Please complete and return the **consent form if your child comes home with one.**

If your child does not come home with a consent form, please take this as your child is **fully vaccinated.**

If you have already submitted a consent form last year or your child has received these vaccinations elsewhere (e.g., GP surgery), please contact us so we can update our records.

On the day of vaccination

- Please ensure your child eats breakfast and wears a short sleeved shirt if possible.
- Our team will ensure the session is carried out safely and respectfully, following all local NHS policies and guidance.

If you have any questions about the vaccination, need help completing the consent form, or would like to discuss your child's immunisation history, please contact the School Nursing Team on **01639 862801** or **SBU.schoolnursing@wales.nhs.uk**

Mae'r Gwasanaeth Nyrsio Ysgol ar hyn o bryd yn adolygu cofnodion imiwneiddio ar gyfer disgyblion Blwyddyn 10. Os yw ein cofnodion yn **dangos nad yw eich plentyn wedi derbyn y brechlyn atgyfnerthu DTP (Difftheria, Teteraws a Pholio) a/neu'r brechlyn MenACWY**, sydd fel arfer yn cael eu cynnig i ddisgyblion Blwyddyn 9 fel rhan o'r rhaglen imiwneiddio ysgol genedlaethol byddwn yn eu cynnig eto yn mlwyddyn 10.

Mae'r brechlynnau canlynol yn bwysig iawn ar gyfer diogelu pobl ifanc rhag afiechydon difrifol:

- **Atgyfnerthu DTP:** Yn darparu amddiffyniad parhaus rhag difftheria, teteraws a pholio.
- **Brechlyn MenACWY:** Yn amddiffyn rhag pedwar math (A, C, W a Y) o salwch meningococol, a all achosi meningitis a gwenwyn gwaed.

Byddwn yn cynnal sesiynau dal i fyny ar gyfer disgyblion Blwyddyn 10 os nad ydynt wedi derbyn y brechlynnau hyn yn ystod y flwyddyn academaidd flaenorol. Bydd y Tîm Nyrsio Ysgol yn ymweld â **Cwm brombil** ar **06/05/26 & 07/05/26** i ddarparu'r brechiadau hyn.

Os daw ffurflen ganiatâd adref gyda'ch plentyn, gofynnwn i chi ei chwblhau a'i dychwelyd cyn gynted â phosibl.

Os ydych eisoes wedi darparu caniatâd y llynedd, neu os yw eich plentyn wedi derbyn y brechlynnau hyn mewn lleoliad arall (e.e. meddygfa), cysylltwch â ni fel y gallwn ddiweddarau ein cofnodion yn unol â hynny.

Ar ddiwrnod y brechu

- Sicrhewch fod eich plentyn yn bwyta brecwast ac yn gwisgo crys llewys byr os yn bosibl.
- Bydd y sesiwn yn cael ei chynnal yn ddiogel ac yn barchus gan y Tîm Nyrsio Ysgol, gan ddilyn holl bolisiau a chanllawiau perthnasol y GIG.

Os oes gennych unrhyw gwestiynau, angen cymorth gyda'r ffurflen ganiatâd, neu os hoffech drafod hanes imiwneiddio eich plentyn, cysylltwch â'r Tîm Nyrsio Ysgol ar **01639 862801** neu **SBU.schoolnursing@wales.nhs.uk**.
