

January 15<sup>th</sup>, 2026

Dear Parent /Guardian,

You and your child(ren) are warmly invited to attend our Curriculum, Subject Pathways Evening on Tuesday 3rd February. This event follows the Year 8 Parents' Evening you will have attended in December.

The Curriculum Evening will take place between 3:30pm and 6:00pm, and you are welcome to arrive at any time during this two-and-a-half-hour period. During the evening, you will have the opportunity to meet subject teachers, discuss course content and expectations, and gain a clearer understanding of the wide range of subjects available to study beyond Year 8. Staff and senior students will be on hand to answer questions and offer guidance to help you and your child(ren) explore each subject in more detail.

We encourage you to visit as many subject areas as possible so that your child(ren) can explore everything on offer and feel confident when making informed decisions about their subject pathways. Information on how and when these choices will be made will also be available during the evening.

To help us plan effectively, we would be grateful if you could complete the form at the link below to confirm your attendance and let us know if there is any specific information you would like.

Thank you for your ongoing support,

Mr S Clarke  
Headteacher
