## 30 Days of Listening – Week 4 Reflection

### Theme: Academic Standards

This week we explored what matters most to families regarding Academic Standards and the feedback was outstanding with 100% of parents agreeing that it matters that children gain the qualifications that will support them in achieving their next chosen pathway.

At the heart of our Vision 2030 is a commitment to excellence, not simply in outcomes, but in progress, ambition and preparation for future pathways.

Academic standards link directly to:

#### **Aspiration**

High expectations communicate belief. Qualifications open doors. Progress builds confidence. Families consistently tell us that they want strong outcomes that expand opportunity.

#### **Belonging**

When pupils feel academically supported and challenged, they develop confidence in their place within the learning community.

#### **Character**

Pursuing academic success requires resilience, discipline and self-motivation. Our role is to foster these traits alongside knowledge acquisition.

This week we sought feedback on:

- Importance of results versus progress
- Preparation for post-16 pathways
- Academic challenge
- Support for revision and examination readiness

Many parents emphasised that their children felt supported especially with the wide range of revision support that is offered. Feedback also suggested that Knowledge Drills were important, parents felt this prepared them well with good study skills which is pleasing to hear.

We are proud of the ambition within our community and grateful for some of the suggestions regarding revision resources and clearer communication of progress data and testing. We will be taking on board the suggestions and looking at addressing these after Easter.

Next week, we conclude our 30 days of Listening Campaign by looking at Learning Pathways. In our final week we are seeking your views on the curriculum we offer at Cwm Brombil. This includes the GCSE pathways we offer and the selection process. We also want to know your views about your child's timetable and any additional support that they receive for literacy, numeracy and digital skills.

Our last questionnaire will be released on Sunday, and our final drop-in session will take place at the school on Thursday 4-5 in the Community Hub. We look forward to hearing your views.

All questionnaires will continue to be available over the Easter Holidays and will close ready for review and action planning. Thank you again to all families that have taken the time to complete the questionnaires and offer feedback.

# Sporting Success

## Netball

The final netball fixtures of 2026 saw us welcome @ysgolcoedcaeschool for an exciting afternoon of competition. We are grateful to them for making the journey and contributing to such a positive sporting occasion.

Pupils from Years 7, 8 and 9 all took to the court, showcasing impressive skill, teamwork and determination throughout. The matches were played in great spirit, with plenty of quality netball on display across all year groups.

It was a fantastic way to round off the season, highlighting the progress and enthusiasm of all involved.

## Rugby

It's been fantastic to see our girls back in action over the past two weeks, with several rugby matches successfully played. There's plenty more to look forward to as well, with exciting opportunities lined up after the Easter break.
